To Whom it May Concern,

Oleksander Pushkar a student in good standing at Columbia College Hollywood. He is producing a film entitled, *Broken Arrow* for his Production Workshop Directing class and is well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

The college covers $2 million in damage and liability, save a $1,000 deductible, which is the responsibility of the individual student, should the need arise. Per the guidelines of the college, this film is not being made for commercial profit of any kind, and as is the case with many student films, is being shot on a no-frills budget. Therefore, any donations or aid you can provide would be greatly appreciated.
